
Spectrubes [April-2022]

Spectrubes is an incredibly addictive, fun puzzle game, inspired by the 80s – and yet it is completely modern and innovative. A game with 8 layers that will take you back to those good times, when the world of videogames was developing and those great machines came into life. Use unique movement of cubes to solve dozens of different puzzles, and ultimately challenge all of the competing spectrubes! Along the way, you will meet new characters, meet famous TV personalities and complete many achievements! If you were around during the 80s, you will definitely enjoy the experience of this game and its 8 different layers that will take you back to the golden age of arcade games. If you weren't around back then, or you haven't given up all of those games from the golden era of consoles and computers, you will truly enjoy this great puzzle game. Key Game Content: About the game: Spectrubes is a game with 8 layers with a different and ever-evolving set of unique mechanics! Explore the caves, caves, lava caves and many more challenging levels, with a variety of characters and objects! Move your cubes to manipulate the puzzles that await you! You need to be a genius, a master of cubes to solve all the challenges! Key Game Features: Use cubes from the 80s in this amazing puzzle game! Explore the caves, caves, lava caves and many more challenging levels, with a variety of characters and objects! Invent your own physics of movement of cubes! Pick a cube up, a lever or something else, and make one of the cubes move in any direction. Receive a variety of awards and achievements – share your awesome results with your friends! Complete all the levels – beat your best score and show all the players on the online leaderboards! Do you remember the 80s? Do you remember the time when everyone had a popular video game or a computer? If you didn't live back then, or you have given up the beloved days of ZX Spectrum, you will surely enjoy this game and become part of the scene. Don't miss this 8-layered gem, made by a small team of people at Puntodollars.com, made specially for the amazing followers of Puntodollars.com! Spectrubes Crack License Keygen

We have tried to create a mix of the eighties and the modern, and in the process, have found a new way to use the mind. Spectrubes Download With Full Crack is a fun addictive puzzle game for all ages and abilities. Control a cube as it moves left, right, up, or down in order to collect diamonds and unlock new worlds and levels. All game levels are randomly generated so no two game sessions will ever be the same! If you love classic puzzle games like Tetris, or if you have always wanted to try your hand at a game that combines the best aspects of a Zenonia or a Bejewelled, then Spectrubes is the game for you. If you don't have a ZX Spectrum or a Commodore 64, you can still join in the fun with your smartphones and tablets. Are you ready for your adventures and trials, for the world of ZX Spectrum and cubes? About Spectrubes: We have tried to create a mix of the eighties and the modern, and in the process, have found a new way to use the mind. Spectrubes is a fun addictive puzzle game for all ages and abilities. Control a cube as it moves left, right, up, or down in order to collect diamonds and unlock new worlds and levels. All game levels are randomly generated so no two game sessions will ever be the same! If you love classic puzzle games like Tetris, or if you have always wanted to try your hand at a game that combines the best aspects of a Zenonia or a Bejewelled, then Spectrubes is the game for you. If you don't have a ZX Spectrum or a Commodore 64, you can still join in the fun with your smartphones and tablets. Are you ready for your adventures and trials, for the world of ZX Spectrum and cubes? Welcome to Supermegaworld where you will be take a journey and prove that you are the most powerful, probably not so smart, hero at the Supermegaworld and collect coins, powerups, lightning bolts, and weapons to save humanity. Supermegaworld has become the favorite place for everyone. Many people from all over the world visit Supermegaworld. The more popular it is the more coins and treasure you can earn. This in turn will make your journey to get more powerful and give your a real chance to win the rewards. But be careful at the Supermegaworld. There

Spectrubes License Keygen PC/Windows

Do you remember the eighties? Our game offers you the opportunity to enjoy the wonder that was the ZX Spectrum and its games. Control the movement of the cubes using the different dynamics of each one. The goal is to complete levels by avoiding the cubes and reaching the other one without being stuck! Spectrubes is an addictive puzzle game, where the movements of cubes are unique! Only with them you can complete levels and reach the other cube. Use the cubes for your advantage and complete 100 levels in the environment of eighties. Are you ready to test your reaction and the precision of your fingers? The game presents itself in a number of themes, and each theme has a particular effect on the movement of the cubes. If you want to enjoy your experience and go as far as possible in the game, you must focus on your maneuvers and plan well the moves you will have to do. A fun and addictive game, specially for those who miss the good old times. Gamers who love retro-funk will like this game and discover new flavours and concepts in a fresh and varied concept. Do you remember the times when many had a wonderful machine under the name of ZX Spectrum, or, perhaps, a Commodore 64? Our game will help you remember, and if you haven't been around for that, it will let you travel back in time to see! In our game, Spectrubes, you control a cube. But not one several, and at the same time! The key idea is that they move very differently! One of the cubes may move up, but another one will move down. But not all cubes in the world of Spectrubes are friendly. Some of them are hostile, and will not let you freely enjoy your life. Avoid them unless you want trouble! Use your environment and the game mechanic to complete a hundred of different levels! Are you ready for your adventures and trials, for the world of ZX Spectrum and cubes? Key features Immerse yourself in the world of vintage computers such as the ZX Spectrum and Commodore 64 Experiment with various movement of cubes to reach your goal Use your environment to solve 100 different puzzles Compete with the entire world for highscores Get different Steam achievements and share your results with friends Gameplay Spectrubes: Welcome to the world of the ZX Spectrum! This retro-funk game will make you use your reaction and your fingers to solve the 100s of puzzles you will have to complete. You'll have to avoid cubes while they move
