'Tales of Raetrethra - Legends of the Past' is a collection of chapters focusing on a traveller awakened in a desert. With no recollection of his past, the man wakes up in the blazing desert sun to find he is alone. He searches for a way out and stumbles upon Niyue, a girl who takes him in and is entrusted by a mysterious man with two young granddaughters in order to protect the man from a deadly enemy. Koko Yuwi: Koko Yuwi is a mixture of two words: Corpse and Yuwi. She is a young, friendly and clumsy spirit who is eager to become friends with the traveller and tries to solve the puzzle in front of her. Nali: Nali is a feline spirit with seductive eyes who is a clear representation of Eve. She is a young, elegant and lonely spirit who wants to protect the traveller and grows closer to him as he makes friends with her. Rulie: Rulie is a playful and cheerful little spirit who is a sweet representation of Chocolat. She is a young, cheerful and quirky little spirit who wants to learn and grow. Etsu: Etsu is a benevolent spirit, yet she can also be a fierce fighter. She is a young, wise and stern spirit who is the leader of Etse village and is in charge of protecting the travellers with her whip. Kosan: Kosan is a representative of personified wind. He is a young, wind-like spirit with a magical energy. He is a gentle and serious spirit who is loyal to his village and is calm and patient. Niyue: Niyue is a young, polite and caring spirit who is a helpful representation of one of the main characters in 'The Sleeping Beauty'. She is a young, skilled and dazzling spirit who will make the traveller's adventure come to a successful conclusion. Defining Characters: If you will play this game, you will get to know the characters well. They are all very unique in their own ways. Each of them has their own personality and carries their own story, which is one reason I decided to focus on them personally. The Protagonist: The Protagonist: Our nameless traveller wakes up in the blazing desert sun to find he is alone. He wants to know his past and whether he has family. Thus, he follows a mysterious man who says it is not safe for him to stay

and telling their stories. I hope you enjoy them as much as I did making them!The Vatican has condemned allegations that Pope Benedict XVI knew about the sexual predation of clerical children by pedophile priest Father Lawrence Murphy while he was head of the world-famous St. Luke's Hospital in New York. The Vatican's Congregation for the Doctrine of the Faith in Rome, said in an eight-page statement Sunday that it had examined the accusations made by a church whistleblower who made "unfounded accusations" about the Holy Father and the details of Murphy's July 2002 crimes against a boy. The Vatican statement said it had found no grounds for the accusations in its examination of Murphy's behavior while working at St. Luke's between 1960 and 1971. Murphy, who was removed from his parish in Michigan in 2002 following an allegation of sexual abuse, was the hospital's psychiatrist from 1976 to 1982. According to the Vatican statement, the accusations against Benedict came from a former member of the United States Conference of Catholic Bishops. The Vatican offered no evidence to support its assertions. According to the whistleblower's testimony, Murphy regularly abused

### **What's new:**

**‘From the Ancient Age he is the most powerful. From the dynasties before his birth he is a legend. After him, who can tell?’ - Randwyc. ‘Child of Rarethroth, summoned to the Universe. Power... Insanity... maybe even a clue?’ - Maha. Day 255. General reasons The day was not easy. I was at the edge of my mind. There were paths before me and leaders that I had to follow, but... my feet had grown roots. There wasn't a regular path for me. Whistle was returned - the prince knew of the rules. He made me go find Eirisha. I was prepared for the threat, the surroundings. I was ready. I was still at the edge. My head was going to explode. Drake was summoned to the King. The King was in a perfect mood. He had his kind of day full of fruit and sorbiter. His rant on the back was heavenly. The guards brought me to his room. I sat there like a deaf animal. His flabby, fat form was on the bed. An open bottle was on the table where I thought that the wrapped package must be. All I saw was his quivering nipple, which I can safely say was quite disgusting. "Did you even try?" He asked me. I burst up his chest with my nails, bruising his skin. "Huh! What now?! Aren't I interesting?" He asked me. I played with one of his bald and ugly hairs. "So, how does the story go? Some rat is telling me some nonsense about the Grand Old—" I interrupted him, surprised as if someone called me from the depths of the sea. I stopped on him and his gaze was like a wand that was scouring my entire brain. I started to understand that some insanities were calling out to me. "Rental. It's called Rental! Of course, you didn't know about the Rental. Amazingly... " He put his face**
